TONIGHT'S ARTISTS

ELI KASSNER formed the University of Toronto Guitar Ensemble in 1978 and has been its Artistic Director since then. Much of the repertoire of this group has been created by way of adaptations and transcriptions of standard orchestral repertoire, as well as by commissioning new works through the Canada Council, Ontario Arts Council and Guitar Society of Toronto. Under Mr. Kassner's direction, the University of Toronto Guitar Ensemble has achieved international recognition. The Ensemble has performed at international festivals in Cuba and Martinique. Last September, members of the present ensemble, conductor Jack Bakker and artistic director Eli Kassner travelled to San Juan, Puerto Rico to present a concert as part of the Festival Internacional de Guitarra de Puerto Rico 1989. The concert met with immense success and future international concerts are being planned for the coming year.
